 Joint Status Letter Regarding MDL ECF No. 153/154 and *Authors Guild* ECF No. 377/365

Dear Magistrate Judge Wang:

Pursuant to the Court's Order (MDL ECF No. 270) and instructions at the discovery status conference on June 25, 2025, Microsoft and Class Plaintiffs write to update the Court on the parties' discussions on the matters addressed in paragraphs I.2 and I.3 of the Court's Order.

**MDL ECF No. 153/154:** On June 27, 2025, Microsoft provided Ms. Salinas with documents hitting on the "LibGen Search Term" (see ECF No. 175). Pursuant to Microsoft's request, Ms. Salinas has not shared those documents with any other lawyer. The parties met and conferred on July 1, and Plaintiffs made some additional requests of Microsoft, which Microsoft either has already addressed or will address in short order. The parties will also continue to confer about whether any of the documents should be produced in the case.

**Authors Guild ECF No. 377/365:** The parties also met and conferred on July 1 regarding Plaintiffs' position in the discovery conference chart (MDL ECF No. 215-2 at 5) and the Court's guidance at the hearing. Plaintiffs intend to provide Microsoft with a draft Rule 30(b)(6) deposition notice. To the extent there is disagreement about the scope, the parties will work to resolve such disagreements. Plaintiffs additionally stated they may request production of additional documents related to this issue, and the parties will continue to meet and confer about any such forthcoming request.

Respectfully submitted,

/s/ Jared B. Briant
